“We will be deceiving ourselves to think or assume that someone with a great successful career, wealth, good, catchy looks will be automatically great & successful in their relationship/marriage, until that person consciously develops their relational skills as much as they did in their career”.

Sebastian Eugene Norrey

“Life was created beautifully and good; We only have to learn how to keep it's beauty and perhaps improve it rather than degrade it, and so is love”.

Its time to learn!

Sebastian Eugene Nortey

Get wisdom, Get understanding.
Don't forget, don't deviate from
the words of my mouth. (Proverbs
4:5 AMP Bible)

Above all & before all, do this: Get
Wisdom! Write this at the top of your
list; And Get understanding!
(Proverbs 4:7 MSG Bible)

***SEX & OUR GENERATION
SERIES***

Sex begins with an 'outercourse'
then to an 'intercourse' & then
ends with an 'outercourse'.

“Many Christian brothers & sisters fear ‘intercourse’ but now go in for ‘outercourse’ & term it as fun/romantic”.

Amos Kevin-Annan

A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom right towards the top right, located in the lower right quadrant of the slide.

Outercourse involves anything that satisfies sexual urge/ feelings without intercourse; without the fusion of the male & female sex organs.

Eg. Hugs, kisses, touches, rubbing, smooching, fingering, phone sex, masturbation, dirty talk, nude sharing, pornography sharing.

“Many Christian brothers & sisters have sold their conscience and reverence/fear of the Lord”.

Amos Kevin-Annan

“Sex before marriage (fornication) has now been rebranded as ‘experience’, ‘sexually active’, ‘fun’, etc.

Insinuating that those who are not engaged in such are ‘dormant’, ‘sexually inactive’, ‘inexperienced’, incomplete, etc”.

Amos Kevin-Annan

“Many Christian brothers & sisters seem to assume or think that having sex, after virginity has been broken is no more fornication”.

#Becoming a better version of ourselves on our mind.

Sebastian Eugene Nortey

“Many Christian brothers & sisters seem to assume that after a certain age, sex before marriage with or without their partner is no more fornication”.

Sebastian Eugene Nortey

“Everything in today’s world heightens voluminously a supposed need for physical sexual satisfaction of urge & perpetual orgasm & ignores the other purposes of sex. The theology of sex. How can we then learn from today’s world”?

Amos Kevin-Annan

“Most of our celebrities (those we’re to celebrate) portray themselves as gods, goddess & divas, draw a picture of promiscuity & make it look normal with pride. How then can we learn from them”?

Amos Kevin-Annan

“Let me write the songs of a nation; I do not care who writes its laws or governs it, once I write the songs of the youth”.

Adolf Hitler

A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom right towards the top right, located in the lower right quadrant of the image.

Most youth of today are immersed in music; they do everything with music; some learn with it, wash with it, sleep with it, wake up in it, use music at events, etc.

What are the songs of the youth today? And how are they affecting us? What are we learning from them; when all they do is paint a picture of promiscuity, immorality, etc as normal & okay. Be careful of the songs you listen to.

#Becoming better versions of our selves.

“I have not seen the entertainment industry (music, movie; telenovelas) portraying an ideal man, a virtuous man or lady. Men are always showcased as beasts, heartless, cheats, bastards, rapists, sex freaks, and women always as victims & powerful. No decency. How can we learn then from these”?

Amos Kevin-Annan

“I have not seen anyone who engages in sex before marriage with or without their partner & has peace in life as much as they yearn to have. If you find one, call me to witness”.

Amos Kevin-Annan

Yes, Grace abounds, Christ redeems & makes us pure & gives us peace, but to whomever is ready to yield & submit in truth & sincerity.

Let us submit now!

The pollution is too much out there. Declare with me now; “ ***I am standing out; flushing all impurities within now to be pure & remain pure no matter what***”.

I speak to your soul now: receive this fire now to be awakened from slumber.

Cocaine dealers strongly look out for pure cocaine without any compromise..

In jewellery, we look out for pure ones; the amount & purity of gold.

In our attires, gadgets, food, everything we look out for the authentic & pure.

Manufacturers of products sell out & promote their brands out of the purity & authenticity of their products so we buy them.

Even water, we seek to drink/use not just any water, but the purest of water.

So why then shouldn't we be pure ourselves?

Similarly, the Lord God Almighty, the creator of the universe, seeks pure people.

The Lord create in us new hearts to be pure.

#Pursuing & Observing personal purity on our mind.

#Becoming better versions of ourselves.

“If you have to be given contraceptives, condoms, etc so you have a supposed safe sex to satisfy just an urge, whereas you have the ability to control it & abstain, then you have a cognitive problem & perhaps you are being told you're not capable of reasoning to have control”.

Amos Kevin-Annan

“That will be just like saying, a man who has anger problem and hits the wife when he gets angry should get a soothing gloves so the wife doesn't experience much pain or bruises, whereas that anger can be controlled”.

Amos Kevin-Annan

A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom right towards the top right, set against a solid red background.

The pollution is too much. Declare with me again; **“I am enlightened now & I am standing out to flush all impurities within, to be pure & remain pure & to propagate personal purity”**.

#Pursuing & Observing personal purity.

Therefore, let us keep our hands clean; wash all the filth now right away with The Blood of Jesus in prayer, Stand for the truth, Rebuke falsehood & the pollution in this world.

Psalms 24: 4-5 (AMP)

He who has clean hands and a pure heart; who has not lifted up his soul to falsehood, and has not sworn deceitfully to falsehood, He shall receive blessing from Yahweh; righteousness from the God of salvation.

Psalms 24: 4-5 (MESSAGE BIBLE)

Only the clean-handed, only the pure-hearted; Men who wont cheat, women who wont seduce. God is at their side; with God's help they make it.

Can man ever stay without sex before marriage & not cheat, & be virtuous?

Yes, verily verily, it is possible & such men do exist.

The way is to ignore the world & to feed on the God's word. The theology of sex. The way to find your Mr/Mrs right & have peace is to flee from sexual immorality; sex before marriage.

PROVERBS 4:7 (MESSAGE BIBLE)

Start with God, the first step in learning is bowing down to God; only fools thumb their noses at such wisdom and learning.

How do you find the right people?

2 Timothy 2:22

Flee from **youthful lusts** but **pursue righteousness, faith, love and peace** with **those who call on the Lord out of a pure heart.**

#Becoming better versions of ourselves

The secret against infidelity/ promiscuity/ fornication;

1. Yield not to sex before marriage with or without your partner no matter what; not even out of love. For sex is not a proof of love. (If it has already happened, learn to control your feelings, urges before you lose it in marriage) Watch what you feed your mind on.

2. Men, do not allow any lady other than your wife give you erections. The moment other women give you erections, you have started losing yourself, breaking your relationship/marriage. Control it before it controls you. Your mind is your master sex organ.

3. Ladies, do not allow any other man other than your husband's actions, words erect your emotions. The moment other men's words, touch, actions erect your emotions, you have already started losing yourself, breaking your relationship/marriage. Your mind is your master sex & emotional organ. Control it before it controls you.

Amos Kevin-Annan

NB; Fornication is not experience or about being sexually active or an act of maturity or fun, neither out of love, but,

It is a withering & weakening of the energy for self control needed in marriage.

Don't deceive yourself by saying; "when I get married, I will learn to control myself, I am in my youth now & I must enjoy.."

For what you do not learn to do from young days becomes difficult to do in your old days. Marriage is not the cure for promiscuity either.

Skills can be learnt, but attitude/behaviour can only be nurtured & groomed with time & consistency.

Hebrews 13:4 (MESSAGE BIBLE)

Honour marriage, and guard the sacredness of sexual intimacy between wife and husband. God draws a firm line against casual and illicit sex.
